## Dormition of the Mother of God

## Успіння Пресвятої Богородиці

### Troparion:

O Mother of God, in giving birth You still preserved virginity; and in your falling asleep you did not forsake the world. You are the Mother of Life and have been transferred to life and through your prayers have delivered our souls from death.

### Kontakion:

The grave and death did not detain the Mother of God. She prays perpetually and is our unfailing hope of intercession; for He who dwelt in the womb of the ever Virgin, transferred to life the Mother of Life.

**Prokimenon** — Let Your mercy, O Lord, be upon us, as we have hoped in You.

### Тропар:

Уродженні дівство зберегла Ти, в успінні ж світу не залишила, бо Ти, Богородице, перейшла до життя, будши Матір'ю Життя, і молитвами Своїми визволяєш від смерти душі наші.

### Кондак:

У молитвах невсипушу Богородицю і в заступництві неситне уповання не втримали в собі гріб і смерть; бо як Матір Життя покликав Ії до життя Той, хто в лоно вселився повсякчас дівственне.

**Прокімен** — Милість Твоя, Господи, хай буде над нами, бо ми надіялись на Тебе.

N. 52/2020

July 23, 2020

Praise be to Jesus Christ!

Dearest Brothers & Sisters in Christ Jesus, Beloved Ukrainian-Detroit Community and Friends,

Since COVID-19 hit our communities, the environment in our cities, in our homes, in our schools, in our parishes, and even at our workplaces is no longer the same. We had to make immediate adjustments in just about every aspect of our lives. We had to learn new tools and find new ways to make our ends meet. Annual and daily routines are no longer the same. At this time of the year, parents looking to register their children may be asking questions, “Should I register my child at IC Schools?”, “Should I continue to support our IC Schools?” These questions need clarifying answers ASAP.

Our answer is YES! IC Schools will open its doors in the fall. Just like in the past, IC Schools will continue to exist and depend upon and will continue to rely upon your generous charity now more than ever before. Our Ukrainian Community, along with Friends of our Ukrainian Community, are aware of the challenges, difficulties, and the unsurmountable amount of generosity it takes to maintain our parishes and run our schools. Therefore, we have schools, a community, and we will continue to have a community. Nothing in this world is more precious and more valuable than what you carry in your hearts. For it is upon the generosity of our founders that our community stands and thrives today. It was very difficult to build the new IC Church. It was very difficult to build the new Saint Josaphat Church. It was very difficult to leave Hamtramck and move the IC Schools to Warren and build on and rebuild it. This community has seen it all and done it all. You know what it takes to get what you want, and you know what it takes to maintain what you have.

The priests of the Order of St. Basil the Great, since the day we inherited the Immaculate Conception Parish in Hamtramck, back in 1962, never doubted and never measured efforts to preserve, maintain and expand our community. Since Father Lotocky, or Father Barnych or Father Panczuk, we had 3 or 4 generations of new priests running our parishes and schools. Please, never doubt our priests and their willingness to sustain you, to guide you, to support you, and make you thrive. We are called missionaries not just for the heck of it! We are called missionaries because we believe in what we do. When we come to a certain church, school, community – we adopt it and make it our own. We pray the Divine Office with devotion, we piously pray the Divine Liturgy, we do our work and care with unconditional love.

You may now ask, what do I have to do with that? Everything! We will continue to count upon your support and will continue to be grateful to you forever. Sincere gratitude is not a simple acknowledgement of another’s charity – to feel gratitude means to rejoice not only in the gift received, but also in the kindness of those who give. We cherish your gift and appreciate your kindness.

Sincerely,

Fr. Mario Dacechen, OBM
